

INDIANAPOLIS COLTS COMING TO MT.VERNON

The Indianapolis Colts are gearing up for another great season with the “2009 Make It Personal Tour” beginning June 3 through July 21. The 2009 Make It Personal Tour marks the sixth year in a row the Indianapolis Colts have hosted a summer traveling marketing campaign featuring players and cheerleaders. The tour will make 15 stops around Indiana during this time period this summer.

Mt.Vernon Mayor John Tucker and his office has been working with the Colts Marketing Director to make Mt.Vernon one of their stops this year. The Colts “Make It Personal” tour will be in Mt.Vernon on Wednesday, July 1st, 2009 from 4PM to 6PM in the 300 block of College Avenue.

Make It Personal tour elements include meet and greets with Colts players or alumni Colts players and cheerleaders. Fans may also participate in the “Bleed Blue Blood Drive” by donating at the Indiana Blood Center mobile units, register their kids for the Colts Kids Club and Colts Crib Club, register-to-win Colts pre-season tickets, pick-up free Colts giveaways, play on the Colts interactive inflatables and experience Colts In Motion, the teams traveling museum.

The Colts would like to encourage all fans to arrive early. The line for player and cheerleader autographs may be cut off at any time to ensure the Tour remains on schedule. Inclement weather or traffic may cause for late arrival or early departure. All Make It Personal Tours stops will take place rain or shine. Team practice schedules and meeting times may cause for players to arrive late or depart early. Colts player names will not be announced prior to the arrival in each city. Fans will be allowed one autograph per person, however fans may get back in line for additional autographs.
